## Short Breath

from going up stairs, walking, sweeping, singing or talking comes from a weak heart. So does fluttering or palpitation of the heart, fainting spells, choking sensation in the throat, smothering or sinking spells and irregular or intermittent pulse. The circulation becomes sluggish, and head, throat, lungs, stomach and digestive organs are burdened with congested blood vessels.

## Dr. Miles' Heart Cure

Increases the heart's action, accelerates the flow of blood, clears out the clogged up passages and puts new life into the whole body.

"Three years ago typhoid fever left my heart in a very serious condition. I could not walk a block without stopping to get my breath; the least exertion about the house would cause palpitation and fluttering, and I was so nervous that I did not know what to do with myself. Seeing an advertisement of Dr. Miles' Heart Cure I made up my mind to give it a trial. The first bottle helped me wonderfully, and when I had taken two more bottles my heart trouble was all gone."

## WITH DUE CEREMONY

ANGLO-AMERICAN CONGREGATIONAL CATHEDRAL.  
Lengthy and Impressive Services Held Yesterday in Closing Bishop White Administration in Hawaii.

The impressive ceremonial of church consecration was carried out by Bishop White of the Anglican Church yesterday morning assisted by his clergy, and laymen intimately connected with the affairs of the still uncompleted cathedral.

The weather was in perfect accord with the outdoor nature of the ceremonial consummating the work of Bishop White in this diocese, and the function was carried through in impressive manner. At ten o'clock the vested choir, headed by the cross bearer led the procession from the vestry doors to the main entrance of the cathedral where they awaited the arrival of the bishop. In the procession were Rev. Canon V. H. Kileat, Rev. Canon William Auld, Rev. A. B. Weymouth, Rev. Thomas Smith, Rev. Jenner, Henry Smith, Edmund Stiles, W. H. Castle, Jr., Charles E. Cloghlin, James H. Boyd, Prince David Kawananakoa and Prince David Kawananakoa, the two latter as representatives for King Kamehameha and Queen Emma, the original donors of the ground.

The bishop in full vestments and attended by his chaplains Rev. P. F. Fila and Rev. Kene-Yin Tet and a bearer of the golden tipped episcopal crozier, was met at the steps by registrar Edmund Stiles and the clergy. A petition for consecration setting forth the work of the bishop and status of the church property was read by the registrar and after the bishop's speech of compliance, a complete circuit of the cathedral was made by the procession.

Returning to the church the door was opened in response to the bishop's ringing, upon it with his crozier while the choir and congregation chanted appropriate music. The bishop received the brass key and the legal instruments of the donation of the site which he laid upon the altar. After prayer and the laying of the stones of the various monuments of the church including the choir stalls were separately consecrated with the holy vessels and altar coverings, the final act being the reading of the sentence of consecration and its signing by the bishop.

Communion followed the consecration ceremony with a lengthy sermon by the bishop referring to the work accomplished during his dominion over the diocese and answering the objections that had been brought against the consecration of the cathedral. The differences between the bishop and the laymen of the diocese were also touched upon the absences being somewhat severely criticized.

At the evening services the Rev. A. B. Weymouth was installed as canon of the cathedral and the Rev. Canon Kileat raised to the highest rank in the church hierarchy under the domination of Bishop White, that of dean of the cathedral. This rank is irrevocable. It is claimed. The music at both services was conducted by Wray Taylor and was of high order.

### SPORTING RESULTS.

Maile Illinas Champions—Base and Basketball.  
The Association Football League closed its present series on Saturday afternoon with the Maile Illinas as champions for the season and winners of the cup. The score was three to one in favor of the Mailes and the game was a very fast and interesting one. Congratulations on the successful close of the season were freely exchanged between spectators and players after the game. The sportsmanlike playing and lack of squabbles that have so creditably marked the league games was particularly referred to. A good sized and enthusiastic crowd was in attendance.

Captain Parker's side team won a game that kicked by Deputy Sheriff Chillingworth on Saturday afternoon by twenty points. The prize was a keg of pine. A team of soldiers from the Warren played and defeated a baseball nine on Saturday afternoon by a score of five to four. The soldiers put up a very creditable game displaying excellent team work, a quality in which the local team were sadly lacking.  
Many spectators enjoyed the basketball games played in the gymnasium of the Y. M. C. A. on Saturday evening. The "Yellow" won all three games from the "Reds" mainly owing to the playing of physical instructor Young.

### THE MEMORIAL POLO GAME.

Polo players on the opposing teams for the McKinley Memorial game are hard at work practicing. Captain Walter Dillingham of the "Reds" had his men out before breakfast this morning at Mahiki, practicing team work and the others are no less assiduous. The game will be played next Saturday afternoon at Kapiolani Park and a large attendance is already assured. Admission is gained by tickets already in the hands of energetic salesmen. Sourceable programs will be issued for the occasion for which much interesting material pertinent to the game, the players and their ponies is being prepared.

### FAVORITE NAMES.

There are six George Washingtons in the House, Illinois and Indiana send two each and Alabama and New York one each. The next given name in favor is Henry Clay, of which there are three. There are two Benjamin Franklins and two Thomas Jeffersons.

### A GOOD THING.
